

## SET 7620LAV

**Dual lavalier UHF wireless microphone** 

8015439176204

Professional UHF wireless microphone, including a receiver and two lavalier transmitters. 100 channels available. The display on the receiver shows all operating information. Frequency pairing can be made in a few seconds, thanks to the infrared sensor. The wireless microphone operates in UHF band with special filters that eliminate interferences. The transmitters are also endowed with display, where you can view for example the charge status of the batteries (2 x 1,5V).
