LED BAR72

24 x 3W led bar

Led bar with 24x 3W RGB leds capable of producing any colour. Designed to illuminate walls or large areas, it comes with a DMX controller, but it can also operate in auto mode. Thanks to its display the desired function can be quickly set. It features a 24 channel DMX interface for the connection to professional systems. It can be positioned everywhere thanks to the adjustable brackets on the two sides.
