PA 580

50W color display in-wall amplifier

Innovative in-wall amplifier suitable for use in shops, houses and wherever a discreet and elegant amplifier is needed. The large display allows to manage its many functions, which are also settable through the remote control.

It is endowed with FM radio, bluetooth receiver, MP3 player from micro SD and can manage an auxiliary audio signal.

It can play videos and it is even possible to schedule the auto switch on/off.

A screensaver protects the display.

It offers the possibility to manage 2 x 25W speakers. Supplied with PA WALL BOX for wall installation.
