SCHEDA TECNICA / TECHNICAL SHEET

BX 7615PRO

Diffusore amplificato professionale 1000W

Professional speaker with D-class built-in amplifier, which can produce a maximum power of 900W. It offers the possibility to connect 2 line signals and 1 mic signal, controlling 2 channels at the same time (a musician can for example connect his instrument and a microphone). Thanks to the MIX OUT connector the user can also connect a further speaker.

It is endowed with a sophisticated DSP processor with numerous presets and the possibility of varying several settings at will. A bluetooth receiver allows to amplify music directly from smartphones and tablets. Woofers and tweeters are of excellent quality as well, as the cabinet made of solid and scratch-resistant material. It comes with a standard mounting hole for stands on the bottom.

Line inputs	3
Mic inputs	1
Kind of speaker	Bi amplified
Mounting hole for stand	Yes
Tweeter Dimensions	1,75"
Woofers dimension	15" (38cm)
Handles	Yes
Material	Plastic (ABS)
Frequency response	42Hz -20 KHz
RMS power	450W
SD player	Not present
Max power	900 W
Bluetooth	yes
Magnet	70 Oz
Battery type	No battery
Max power	900W
Wireless mic	No
Color	black
Weight	20
Product dimensions	420 x 690 x 380 mm
Power supply	110V - 220V
Notes	Digital DSP
