## SET 7922PL

Dual UHF microphone handheld + headset - 200 ch

Dual wireless microphone suitable for schools, theater companies and small musical groups. It is provided with a handheld microphone and a headset microphone to speak hands-free. It works in UHF band with 100 channels available for each transmitter. It has a wide operating range and the frequency pairing between receiver and microphones is facilitated by the infrared system. It offers an autonomy of about 8 hours. The outputs are both balanced (XLR) and unbalanced (Jack 6.3mm). It can be installed in a standard 19" rack thanks to the brackets included in the package.

Range freq 645,55 / 688,85 MHZ
