PSB 12

Amplified speaker with wireless microphone - 600W PMPO

The most complete speaker on the market! The package includes a series of accessories that make this product unique: a tripod stand, a wireless microphone, a wired microphone and remote control. The speaker is rechargeable and thanks to the internal battery it has more than 3 hours of autonomy. It features a sophisticated multimedia module to play MP3 songs from micro SD and USB. The latest generation bluetooth allows connections to smartphones and tablets. It is also endowed with echo, priority, recording and tonel adjustment function. The woofer is illuminated by leds but the effect can be disabled at will. It can also be powered at 12V for a full autonomy.
