DMC 980S

Desk microphone with triple power supply - silver

Designed for installation in receptions, conference rooms, shops and wherever a desk microphone is needed. With its elegant silver finish, it is suitable to be used in any context.

It can be powered in 3 ways:

- With 2 x AAA batteries
- By means of the included power adaptor
- By +48V power supply (usually present in microphone mixers or PA amplifiers).

The button and the ring under the capsule light up to indicate that the microphone is activated. The package also includes 2 cables (8m XLR F- XLR M and 35cm XLR / 6,3mm jack) and a windscreen sponge.
