INFINITY

Rechargeable speaker

Amplified speaker with bluetooth 5.0, MP3 player through USB or microSD cards, MIC and AUX socket.

It features the LRCL (Led Round Circular Light) system, producing a light effect of great impact (which can be disabled at will).

Thanks to its battery (rechargeable through USB socket) it offers hours of autonomy.

It is endowed with buttons to choose the light effect and the desired EQ type.

Compact but powerful it will be your best friend in your free time.
