### DMC 977USB

#### Desk microphone with USB

Desktop microphone designed for video calls, conferences or computer-related uses. It has a USB type plug and is able to operate with both MAC and PC without the need for any driver.

The quality is also excellent when speaking from a distance from the microphone. A key enables the capsule and illuminates the ring to indicate that the microphone is active. In the package there is an anti-blow sponge. The cable is 2.2 m long. Ideal for professional use.

Unique in its kind, it has an electromagnetic and anti-phone filter ensuring protection from any possible interference.
