### BK 12A

#### 350W amplified speaker with USB+BT

Excellent amplified speaker with 12" woofer, including all the functions available in higher-end products. It features Mp3 player, bluetooth receiver, remote control and even REC button to be able to record on a USB stick the audio coming from the microphone sockets and musical instruments.

The audio performance is excellent, thanks to the quality of its components, while the display backlighting allows excellent visibility also in low light conditions.
