BK 15A

400W amplified speaker with USB+ BT

The large metal grid hides a powerful 15" woofer and a 1" tweeter which, thanks to the amplifier, release a maximum power of 400W. The back panel offers the possibility to connect a microphone signal, a line signal and features an output socket for a further powered speaker. It can play MP3 songs via USB sticks or SD cards and receive music from smartphones and tablets thanks to the built-in bluetooth receiver. Endowed with double infrared sensor for the remote control. An exclusive REC button allows you to save digital audio directly on SD or USB devices.
