PICO 10

300W amplified led box

Amplified loudspeaker with handheld wireless microphone and remote control for remote control.

It mounts a series of LEDs that illuminate (12 different animations), during operation, the woofer. The LEDs can be deactivated from the rear panel which incorporates an Mp3 player and provides the controls suitable for managing the volume and the TWS function.

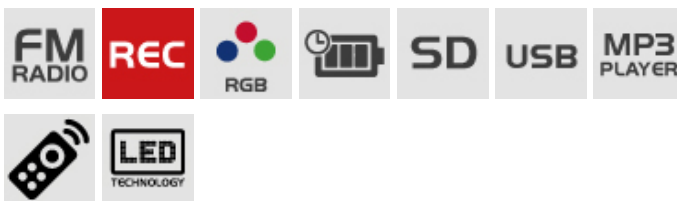

It can be powered both by the internal rechargeable battery which guarantees hours of operation and by the supplied external power supply. It has sockets for external microphone and audio line signal. Trolley system facilitates transport.

The "SPEAKER PRO" app allows you to control the device via your phone.

Works in echo effect mode.

PMPO Power	500W
Battery type	7,4V 2200mAh / Li-Ion battery
Max power	500w
Wireless mic	Yes
Woofer dimension	10" (25cm)
Tweeter Dimensions	1"
Max power	120W
