TALATUU

200W rechargeable speaker with microphone

One of the most appreciated speakers, both for its captivating design and for its numerous functions, making it suitable for any situation.

Thanks to the double 6.5" woofer and the 2" separate tweeter it offers excellent acoustic performance. The front display shows main operation information.

It can play music from USB sticks or SD cards, but also from android and IOS phones or tablets, thanks to the latest generation low latency bluetooth receiver.

It is possible to select 3 types of beautiful light effects, which can be disabled if necessary.

Wired microphone and remote control included. It can be recharged by means of a common USB socket thanks to the supplied cable.
