MERIDIANA G

Bluetooth 5.0 rechargeable speaker

The perfect music player to take anywhere. Made with high quality material and with particular attention to detail. It is compact, with a rechargeable battery and light effects that can be activated at will. The rubberized finish makes it pleasant to the touch. It can read Mp3 songs from USB sticks or microSD cards. It can also be used to play music from your phone via Bluetooth 5.0

. The internal battery guarantees up to 2/3 hours of continuous use and can be recharged in 1 / 2 hours from any USB socket (cable included).

The 2.1 speaker system includes a 3W woofer on the front and a MegaBass system on the side to enhance the low tones.

The speakerphone function allows you to answer incoming calls even while listening to music.
