PAR COB240

240W led light

This led spot, made entirely of metal and with control panel on the back panel, features 4 x 60W RGBW COB leds. The beam angle is 36°, with dimmer function and the possibility of controlling all the settings also by connecting it to a DMX 512 system. Thanks to the double bracket it can be mounted on stands or placed on any surface. It can operate both in auto and sound-activated mode, thanks to the built-in microphone. A practical display on the back shows the main functions.
