SCHEDA TECNICA / TECHNICAL SHEET

LED PAR90

90W led light

Light effect with 60 x 1,5W leds, capable of creating more than 16 millions of hues thanks to the combination of colours red, green and blue.

Lightweight and of small size, it is equipped with a double bracket to be easily placed on any surface or mounted on stands. It includes a DMX interface, but can also operate in manual, auto or sound-activated mode. It is possible to adjust the light beam's brightness and flash rate by means of the rear control panel. A fan prevents overheating during intensive and continuous use.

| | |
