SCHEDA TECNICA / TECHNICAL SHEET

LED PAR120Q

120W led light

DMX led light, with 35° beam angle, capable of creating millions of colour combinations, thanks to its 10 x RGBW leds. It features a total power of more than 120W and it can operate in manual, auto or sound activated mode, as well as connected to professional DMX audio systems. Thanks to the double bracket it is possible to mount it on stands or place it on any surface. It is equipped with sockets, both for DMX signal (XLR) and for power supply.
