ALAM N

Bluetooth 5.3 headphone - color black

Latest generation Bluetooth headphone, with ultra-fast connection and very low consumption thanks to the Bluetooth 5.3 standard.

It features medium-size earpads with 40mm speakers and offers excellent acoustic performance, even for bass tones. It can play music from smartphones and tablets, but it is also suitable to be connected to TVs with built-in BT transmitter. Its MicroSD player offers the possibility to listen to music in complete autonomy. The keys allow you to change tracks, adjust the volume, change source and answer incoming phone calls by means of the built-in microphone. Thanks to the 3.5mm jack socket it is also possible to connect a cable (not included). Its battery ensures hours of listening time and can be recharged from an ordinary USB socket, using the supplied Type-C cable.

Colour: black

Plug	USB type C
Transmission method	Bluetooth
Kind of headphone/ earphones	Bluetooth headphone
Speaker dimension	40 mm
Kind of pads	Adjustable, to fit the user's necessities
Kind of microphone	Condenser
