

SCHEDA TECNICA / TECHNICAL SHEET

DJ LED251

Effetto luce 3 in 1

3-in-1 lighting effect able to operate in automatic mode, in time with music or connected to DMX systems thanks to its 12-channel interface. The connectors are 3pin XLR and allow the use of master/slave mode. 8 LEDs illuminate in numerous combinations that take advantage of RGBW colors but can also act as a strobe light with variable flashing frequency. Next to it there is a faceted sphere illuminated by 6 RGBWAP LEDs that generate a myriad of motorized light rays in continuous color change.

There is a ring for attaching the optional safety cables and a display for practical setup. It can also operate upside down with a display that will adjust accordingly.
